THAILAND OFF THE BEATEN PATH

They're getting harder to find; destinations in Thailand where the pace of life is still somnolent and the scenery stunning.....but they still exist ! Enjoy comfortable lodging, far away from the crowds and way off the well-trodden grid, but with all service and luxury today's travellers require.

Discovery through unspoiled Isan, Thailand

Join our guided, individual excursions and explore the part of Thailand that is less discovered. The part that have all of the acclaimed Thai hospitality, food, culture and stunning attractions but hardly visited by (foreign) tourists.

Find your way through rural Thailand at its best, using our free available scooters: farmland meets sleepy villages. Or get in our 4WD SUV to see unspoiled nature, stunning views and find that natives are surprised to see you, as you are astonished seeing all hidden and unknown beauty.

No worries about routes since your host has all information, personally explored the spots, and guides you to these hidden treasures of Isan, often via adventures tracks, enjoying all the scenery.

RESOTEL BAAN SANOOK

Welcome to your holiday retreat in lesser-known Thailand, Isan, the most NorthEastern region of Thailand. We, Salinee en Robert Merks, Thai/Dutch couple, do whatever it takes to make your stay joyful and memorable.

Nestling in the heart of region Isan, in the province Sakon Nakhon located in the Northeast of Thailand, Resotel Baan Sanook enjoys a privileged position upon its own grounds, comprising tropical gardens with several terraces, orchards and delightful spots. It is surrounded by woodlands, pastures and rice paddies. Enjoy views from our elevated pool deck or from within the pool gazing out over the waterfall. Alternatively you can cool down in our for Thailand unique natural swimming pool and be accompanied by our fish. By the way, did you know we have our own rainwater harvesting system and purification method, giving you drinking-water quality from the tap?

Our small scale resort with homestay concept makes you feel like staying with friends. To your disposal are clean climate controlled rooms and villas including emperor size bed with quality mattresses, covered with anti-mite, non-allergic duvet and cotton-satin sheets. This combined with blackout curtains and quiet atmosphere helps you towards a good night sleep. Your private bathroom is equipped with thermostatic controlled rain shower and other services. In the morning we serve you a western-style Dutch breakfast with variety of bread, rolls, toppings, yoghurts, fruit, tea, coffee and juices.
